

December 20, 2015

Some time on the evening of December 17 or the morning of the 18th the "No Parking" signs on the east side of the road were vandalized (smashed) by someone who has been actively trying to destroy our community. These signs are not inexpensive and all of us paying for them. This is not the first time this individual has caused havoc and we believe he/she may live here in LaSalle's Woods. These same signs have been removed numerous times and were eventually thrown into a dumpster as trash before we could retrieve them and have them cemented into the ground permanently, or so we thought. This same lost soul may also be responsible for cutting branches of living trees and throwing them into our open drains. If you have any information that leads the Home Owner's Association and the police to identify and prosecute this individual, you will receive a reward of \$200.00 and a personal "Thank you" from the LW board of directors.
